

## **Forest Charter School – Snow Day Information**

Above all, please keep in mind that our main concern is your safety. One of the great things about a personalized learning program is that learning continues despite a snag in location. Please use good judgment and travel only if it is safe for you to do so. Due to the diverse geography of our school, the different learning centers (i.e. Nevada City, Foresthill, and Truckee) will each make an individual determination as to whether or not to run the learning center classes and/or cooperative classes. We will do everything we can to inform you of our decision in a timely manner.

### **Student Expectations for a Snow Day During COVID**

- Online classes are running
  - Please attend your usual Zoom class schedule on snow days
- If your internet has been impacted, try to Zoom in without using the video, or use your phone to call in to the scheduled class meeting.
- If you are unable to attend, please try to reach out to your instructor and let them know the situation.
- You are responsible for checking posted assignments and making up the work for that class as soon as possible. Contact your instructor to make specific arrangements.

### **Nevada City Learning Center**

- FCS will notify you via Parent Square email and/or text
- FCS will post information on the homepage of the website
- FCS will contact KNCO and KVMR with our status – Listen to KNCO and KVMR for an announcement and/or check their webpage for information.
- Students are expected to check [www.schoolpathways.com](http://www.schoolpathways.com) to check what their teachers assign for independent study work for that day. This is still a day of schoolwork for our students, just not a day on campus for classes.

### **Truckee Learning Center**

- FCS will notify you via a Parent Square email and/or text of the snow day by 7am that day, or if possible, the night before a school day.

Students are expected to check [www.schoolpathways.com](http://www.schoolpathways.com) to check what their teachers assign for independent study work for that day.
- This is still a day of schoolwork for our students, just not a day on campus for classes. The work assigned that day for class will be due the next day of class.
- FCS will not have a delayed start like TTUSD. We will start all of our classes on schedule.

### **Foresthill Learning Center**

- FCS will notify you via Parent Square email and/or text no later than 7 am, or if possible, the night before the next school day.

### **Additional Information:**

- Under all circumstances, if Forest Charter School does not operate its learning center classes or cooperative classes, the day reverts to a homeschool/independent study day and students should do schoolwork during the day.
- Students taking on-campus classes should check the portal for assignments. Students will still be expected to turn in any work assigned through the portal.
- FCS does not make up snow days due to the structure of our independent study program.
- If you have a meeting scheduled with your supervising teacher, please contact them to confirm that it is cancelled and/or to schedule a new meeting day/time.
