

Days of the Week

Hola Clase!

This lesson will go over days of the week in Spanish. For some students this will be a review, and for others it will be brand new. Either way, I have a link below for a silly music video that will go over the vocabulary and how to say it. Songs are a great way to memorize things so hangout for the whole song and you may know these spanish words for life! I am also attaching a simple worksheet to help you cement these words in your brain. They won't take long, so jump in and see what you remember from the video!

Spanish Days of the Week - Los Días de la Semana

I know this is hard to read.

So, starting furthest left and going clockwise:

A day that begins with "l"

A day that begins with "j"

Friday in Spanish

A day that starts with "m"

The last day of the week

Wednesday in Spanish

The first day of the week

lunes

Monday

martes

Tuesday

miércoles

Wednesday

jueves

Thursday

viernes

Friday

sábado

Saturday

domingo

Sunday
