#### **4. Discussion: 2014/15 Director's Evaluation Process—Dan Thiem**

Peter recommended that the committee gather the information wanted at an earlier date than last year.

B.J. was asked to provide a copy of last year's staff survey.

Dave Stanger, as ST Representative, would then send out the survey via e-mail for review by the staff. The staff would be asked to look over the questions and come up with new questions, throw out ones that were deemed unnecessary and judge which questions should remain.

The committee's main idea was to have this information back by November so that a staff survey could be sent out at a much earlier date. The Directors evaluation write up then can be finished and presented to the council and Director with time to readjust if needed.

#### **5. Adjourn at 2:50 p.m.**
